

Graphic-Inlay®

personalising your company's image

Graphic-Inlay® mats are precisely machine cut then hand assembled by skilled craftspeople.

Product Information

Present your logo, message or custom graphics with this luxurious hand-crafted graphic mat. Project your image in high-traffic, high profile places such as entrances, reception and at point of purchase.

The cost of removing just one kilo of tracked-in dirt from a building can be €1200 or more. A Graphic-Inlay® mat will not only reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.
