

Jet-Print™ Koko

Tough, hard wearing printed mat

Product Information

Introducing a world first, colourful logo mats combining two key cleaning ingredients:

Excellent blotting action is achieved via the fine heat set fibres removing foot born moisture and dust, trapping dirt deep within the tuft. Powerful scraping fibres remove heavy, coarse soils which are then subsequently trapped within the fine heat set fibres.

The cost of removing just one kilo of tracked-in dirt from a building can be €1200 or more. Jet-Print™ Koko will not only help reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.

Features

- Double action scraping and wiping
- Bespoke designs, logos or messages
- 44 colour choices
- Custom sizes available
- Fully washable up to 60°C
- 2 years guarantee against faults
