

# Monotone

adding colour to your world

## Product Information

With a huge colour palette to choose from, Monotone mats will brighten any area and will match with all interior colour schemes.

Specially suited when used to complement the Graphic-Inlay® mat.

The cost of removing just one kilo of tracked-in dirt from a building can be €1200 or more. A Monotone mat will not only reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.
