

# Water-Horse™

high performance containment mat

## Product Information

Water-Horse™ is a heavy duty industrial mat which has a pure nitrile rubber containment border.

The Water-Horse™ is capable of holding 4.5 Litres of liquid per square metre.

The cost of removing just one kilo of tracked-in dirt from a building can be €1200 or more. A Water-Horse™ mat will not only reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.
