

Eco-Scrape

hard wearing, weather resistant door mat

Modular
Linking System

Mats illustrated
x2 Beige & x1 Terracotta

Product Information

Eco-Scrape – Reduce cleaning bills...Low Cost...Eco-Scrape is a highly effective and durable external door mat, the upright hard bristles offer an extremely effective scraping action designed to remove mud, dust, grass, snow etc. Eco-Scrape offers an extremely cost effective first line of defence protecting your floors and reducing both cleaning and maintenance bills.

Eco-Scrape is made of extremely hardwearing and weather resistant PE polymers, with a high UV resistance making it an ideal out door product. The open construction provides immediate drainage from the mat surface, keeping the matting surface dry to effectively maintain performance.
