

Magic-Mat™

the logo and advertising mat

Product Information

A Magic-Mat™ offers more than just cleanliness. Offices, stores, hotels, banks, exhibition halls and other properties are the preferred areas of use. Company premises are considerably enhanced by the Magic-Mat™: the rooms, in which visitors, costumers and guests circulate, remain clean and attractive.

The Magic-Mat™ mat performs two functions simultaneously. It is a dust control mat and an eyecatcher as well. The top side is made of 100% non-crush polyamide (high-twist nylon). The special "shrubber" backing ensures outstanding oil and microbe resistance.

An additional advantage of this mat is, that it can be designed using state-of-the-art Jet-Print™ technology with up to 16 (out of a total of 40 available) colours. This technique also allows fine lines and colour shading. Magic-Mats™ can be customized and enhance your company image or your brand.
