

# Mega-Mat

when size really does matter!

## Product Information

Our Mega-Mat, which lives up to its name and is the leader with regard to floor promotion, is recommended for the exceptional applications. It is a velour carpet, finished with jet printing using a resolution of 76dpi, so ensuring a remarkable print quality and colour intensity which comes very close to the original design graphic. Therefore, both the printing of logos or designs, and also of photo-realistic graphics are possible.

## Construction

Face: 100% Polyamide (Nylon)  
Backing: 100% Latex  
Borders: No borders

## Standard sizes

Maximum width: 2M  
Maximum length: 30M

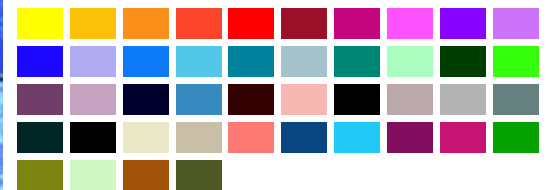

Also available as tiles (on PVC backing) for those difficult areas.

## Applications

Promotion, red carpet and other special events and exhibitions

Non-washable; for cleaning, daily vacuum suggested
